- Artwork / Visual Concept
- Community Project Idea

Primary Language: English Chamorro Carolinian/Refaluwasch Other: _____

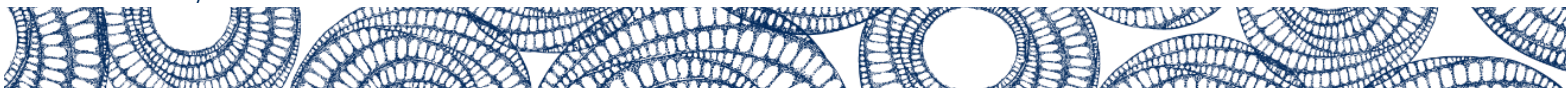

Brief Summary of the Idea *(suggested 100-150 words)*

Student Work File Name(s) or Viewing Link(s) to Be Emailed Separately (include a password only if required)

D. AI Use Disclosure

Was AI used in preparing any part of this submission? No Yes

If Yes, identify the AI tool(s) used

Briefly explain how AI was used *(examples: brainstorming, language editing, image assistance, research organization, or technical support)*

Important: AI use is not a separate category and does not automatically add or deduct points. The main idea, decisions, and final explanation must reflect the student or team's own thinking.

E. Student Certification

I/We certify that the main idea and final submission reflect our own thinking and work.

I/We have truthfully disclosed any AI assistance used in preparing the submission.

I/We understand that each student may participate in only one submission.

I/We understand that a separate online Consent and Release Form is required for every participant. A parent or guardian must complete it for a participant under age 18; a participant age 18 or older may complete it for themselves.

I/We understand that the student work must be emailed separately to marketing@mymarianas.com by the deadline and that any viewing link must remain accessible through the judging period.

I/We understand that all eligible submissions may be organized by topic and summarized in a Youth Ideas Summary, and that selected concepts may receive additional MVA review.

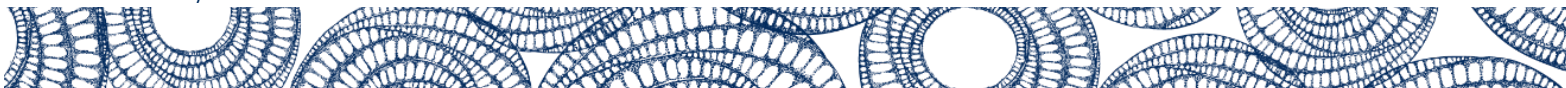

I/We understand that submission, recognition, or further review does not guarantee adoption, funding, endorsement, compensation, or implementation.

Each participating student must sign below. In the online form, entering the student's full name and submitting the certification serves as the student's electronic signature.

Member 1 Signature / Date	Member 2 Signature / Date	Member 3 Signature / Date
